PLAYING RULES

A.S.A. rules apply to all games, unless modified below.

- A. The plate AND mat is a strike.
- B. The 15-Run Rule is in effect in all games after 5 innings. IF THE HOME TEAM IS LOSING, THEY MUST HAVE THEIR BATS IN THE BOTTOM OF THE INNING REGARDLESS OF THE INNING.
- C. There is no grace period. The umpire's time is official.

- G. A minimum 4 females must be in the lineup and play defense at all times. There must be 1 female in the outfield, 1 female in the infield and 1 female at either pitcher or catcher. The 4th and/or any additional females can play anywhere else. No more than 2 male players may bat in a row, including carryover from bottom to the top of the lineup. You can only have 2 more males than females in the lineup at any given time. You can bat as many as you want. If bat 11 – 6-5 ratio, If bat 12 – 7-5 ratio, and so on and so forth. This ratio must remain throughout the game. If an injury occurs, you must adjust your lineup accordingly.
- H. A walk to a male batter will result in a two base award if and only if the next batter is female. The next batter (female) will then have the choice to walk or hit regardless of the number of outs.
- I. Shorthanded Rule:
 - A game may begin with eight (8) players. If a team starts shorthanded, an "out" will be recorded each time the 9th vacant slot is scheduled to bat. If a team plays with 9 players, an "out" is **NOT** recorded for the 10th spot. Teams playing shorthanded must play with a pitcher and a catcher and must still always have at least 4 female players. If any additional players show up late they **MUST** be placed in the last spot in the batting order. Please keep in mind that you still **can't** have more than 2 male batters in a row.
 - If a team becomes a player short for any reason, they may continue to play shorthanded with an out being recorded each time that vacant batting position is scheduled to bat. If a substitute arrives at the game, they must immediately be inserted into that position as long as there are not more than 2 male batters in a row.
 - Once a player is removed from the game causing a shorthanded situation, this player may not re-enter the game unless it is under the blood rule.
 - A coed slo-pitch team may never finish with less than eight (8) players. If for any reason a team becomes shorthanded to that extent, or you are unable to maintain the minimum of 4 female players, the game is a forfeit.
- J. There is an over the fence Home Run limit of 5 per game. Any HR after that point is considered an out. On Niagara 2, a ball hit in the trees/fence in the air is a home run. **If the ball rolls into the trees and the outfielder attempted a play, the runner is awarded a ground rule double. If the outfielder purposely does not make a play the runner is awarded 3 bases.**
- K. Stealing is not permitted in any leagues.
- L. **Illegal/Non-Approved Bats** - If a player is found using an illegal or non-approved bat an out will be called and the player is ejected from the game. If the bat is used again, the game will be forfeited. This infraction will be reported to the Recreation Department and any further infractions by a particular team may result in removal from the league.
